

FAASTeam presents:

Maximum Fun Minimum Cost - The Wonderful World of Flying Clubs

Flying clubs are wonderful ways to share the costs of aircraft ownership and to enjoy the camaraderie of like-minded people. Its not that club members "save money" because they actually fly more, meaning that they are more proficient than sole owners. Furthermore, flying clubs have clearly defined safety programs designed to keep members proficient and safe. In fact, many club use the WINGS pilot proficiency program as the basis of their safety system,

In this seminar, we'll introduce you to the truly wonderful world of flying clubs and will help you find a club near you, or help you start a new one. We'll then develop the idea of WINGS for Flying Clubs.
